**AMASES AWARD FOR THE BEST PAPER
PRESENTED AT THE XLVIII AMASES CONFERENCE**

CALL FOR SUBMISSIONS

The Italian Association for Mathematics Applied to Social and Economic Sciences (AMASES) established a prize for the best paper presented at the XLVIII AMASES Conference held in Ischia, Naples, from September 5th to 7th, 2024.

The prize of 1000€ is exclusively reserved for AMASES members born after January 1st, 1994, who personally present their papers at the AMASES 2024 Conference. The paper submitted for the award must be complete; **abstracts, extended abstracts, and incomplete papers will not be accepted**. The paper can have multiple co-authors.

The submission must be a paper either published or accepted for publication during the period from January 1, 2023, to June 30, 2024. We require a copy of the acceptance letter from the editor for papers that have been accepted but have not yet been published.

To apply for the AMASES Award for the Best Paper, young authors must complete the following by **June 30th, 2024**:

- i. Submit one full paper and a CV (including date of birth) in PDF format via email to segretario@amases.org.
- ii. Ensure registration for the AMASES 2024 Conference is completed.
- iii. Hold an active AMASES young member status with the 2024 annual fee paid.

For more information, please visit AMASES.

Eligibility conditions for the **AMASES Award for the Best Paper** are as follows:

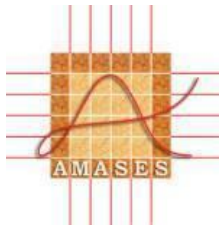

- Must be a current AMASES member.
- Must be fully registered for the XLVIII AMASES conference.
- Must be born after January 1st, 1994.
- Cannot be an applicant for the **AMASES Award for the Best Doctoral Dissertation 2024**.
- The candidate **cannot be a previous winner** of the AMASES Award for the Best Paper.
- The paper submitted must be either published or accepted for publication during the period from January 1, 2023, to June 30, 2024
- The paper submitted **should not have been previously awarded** the AMASES Best Doctoral Dissertation Prize.

The AMASES Scientific Committee awards the prize based on their final judgment:

1. The Scientific Committee will first select a maximum of 4 papers as the most deserving works submitted for the competition.
2. The authors of the selected papers will be invited to present their contribution in a special session of the Conference.

3. The Scientific Committee will choose the winner, considering the quality of the paper and the presentation.

The Scientific Committee may decide not to proclaim any winner if the presented papers are not considered valuable enough. The Scientific Committee may determine at most two *ex aequo* winners. The award ceremony will take place during the General Meeting of AMASES members. The authors of the papers that are not selected will be included in a standard session of the Conference. Further details will be provided in due course.
